

REMARKS

Claims 1-30 are pending in the application. Applicants respectfully request reconsideration of the rejection set forth in the Office Action dated May 19, 2005 in light of the preceding amendments and following remarks.

The Specification has been amended to correct a typographical error and convert a patent application number to that of its corresponding now issued U.S. Patent No. 6,611,624 B1.

Rejections Under 35 U.S.C. §112

Claims 1-30 were rejected to under 35 U.S.C. 112, second paragraph, as being indefinite and for failing to particularly point out and distinctly claim the invention. Claims 1-3, 6-9, 14, 16, 17, 19, 23 and 27-30 have been amended to correct any indefiniteness; no new matter has been added. The amendments are described below.

Claims 1 and 19 have been amended to correct any indefiniteness and now recite "tiled first compressed video data" in accordance with the Examiner's suggestion. Dependent claims 6 and 7 have been amended to match the amendment in independent claim 1.

Claim 7 has also been amended to correct any indefiniteness and now recite "converted first compressed video data" in accordance with the Examiner's suggestion. Claims 23, 27 and 30 have similarly been amended. Dependent claims 16 and 17 have been amended to match the amendment in independent claim 7.

Claim 30 has also been amended to recite "at the low resolution" in accordance with the Examiner's suggestion.

Claims 9, 19 and 23 have been amended to correct any indefiniteness; claim 23 now specifies which MPEG recommendations are claimed, while the MPEG language has been removed from claims 9 and 19.

The language "that may be displayed" has been removed from the claims.

Previous claim 17 has been deleted to correct for mis-numbering of dependent claims 16-17.

Applicants respectfully submit that the amended claims are definite and respectfully request withdrawal of the rejection under 35 U.S.C. § 112, second paragraph.

Applicants believe that all pending claims are allowable and respectfully requests a Notice of Allowance for this application from the Examiner. Should the Examiner believe that a telephone conference would expedite the prosecution of this application, the undersigned can be reached at the telephone number set out below.

Respectfully submitted,

BEYER WEAVER & THOMAS, LLP
